

SPECIFICATION FOR PRIVATE PROPERTY TOWING

- _____ **Random Patrol** – tow all vehicles without parking permits and not in visitor parking
- _____ **Random Patrol Common Areas only** – tow all vehicles not parked in a designated parking space
- _____ **Shopping Center Towing I** – Vehicles marked “For Sale”, vehicles that appear to be abandoned (notices will be placed for at least 24 hours before towing), car-pooling or commuter vehicles that are not in a specific parking spot (these vehicles are parked away from the stores)
- _____ **Shopping Center Towing II** – vehicles that are parked and their drivers walk to another business not located in that shopping center (must be documented by photography or by the manager of one of the resident business signing a towing authorization)
- _____ **Shopping Center Towing III** - Vehicles that regularly use the lot for car-pooling or commuting. This will be determined by the location in which the vehicle is parked or acknowledgment of employees of the businesses located in the shopping center. Care will be taken to not tow customer’s or employee’s vehicles but cannot be guaranteed. Payment will be required on all vehicles towed.
- _____ **Commercial Building** – vehicles in the parking lot after normal business hours; and vehicles that are parked and their drivers walk to another business (during business hours, the manager or leaser of the building must sign a towing authorization)
- _____ **When Called** – only when the owner or manager calls for a specific vehicle

Additions

- _____ Specific Hours – to be assigned by owner/manager
- _____ Vehicles with expired or missing license plates
- _____ Trailers
- _____ Boats
- _____ Handicap Spaces
- _____ Fire Lanes
- _____ In front of dumpsters

Special Instructions: _____

This is an addendum to the Private Property Contract.
